Around the City

M. J. HUTCHINSON HAS RESIGNED AS BULLETIN MGR.

He Will Take Another Responsible Position in the City

M. J. Hutchinson, who since May, 1915, has been business manager of The Edmonton Bulletin, has resigned to take another line of business in the city. The nature of this business has not been announced but it is understood that Mr. Hutchinson has been appointed manager of a company organized by local capital to engage in a specialized industry. The retiring business manager of

The Bulletin has been prominently identified with the commercial life of the city practically ever since his arrival here from Regina. He is a charter member of the Edmonton Hockey Club and has for three years been in the control of the Board of Trade, holding the office of third vice president.

Mr. Hutchinson has established for himself a high reputation as a public-spirited citizen during the period of his connection with The Bulletin. The Bulletin wishes him every success in his new field of endeavor.

CITY UTILITIES SHOW PROFITS OVER LAST YEAR

In month of November There is a Good Surplus—Deficit a Year Ago

One of the best evidences of the continued improvement in business conditions generally is that furnished by the increasing revenue derived from the city utilities. For the month of November, the operation of the utilities for the month of November showed a surplus this year, compared with a deficit last year. For the eleven months of the year, there is a net surplus of \$12,715.36, compared with \$12,715.36 for the corresponding period of last year, or in other words, an improvement of \$12,715.36.

The gross earnings for the eleven months ending 31st November amounted to \$1,171,322.25, while the operating and maintenance cost \$1,158,606.89, leaving a net surplus of \$12,715.36, as against \$12,715.36 for the corresponding period of last year, and after meeting capital and depreciation charges there is a net surplus of \$12,715.36.

The net result of the operation of the utilities for the month of November is a surplus after providing for capital and depreciation charges of \$1,171,322.25, as compared with a deficit of \$1,158,606.89 for the corresponding month of last year, or in other words, an improvement of \$12,715.36.

WHEAT PRICE RAISED

Increase in Bread Price Two or Three Cents in Eastern Cities

That the recent order of the Canadian Wheat Board to raise the price of wheat to \$2.40 per bushel and the fact that eastern cities have already raised the price of bread by two or three cents, will seriously affect the price of bread in this city. In the opinion of several of the prominent bakers, who questioned the subject by The Bulletin, Montreal, Quebec, and other eastern cities have already raised the price of bread by two or three cents, and it is expected that the price of bread in this city will be raised by two or three cents within a very short time.

The price of wheat, which is now at \$2.40 per bushel, is expected to be raised to \$2.45 per bushel within a very short time. The Third Day of The Big Clearance For Men Tuesday

We look for a bigger crowd than ever tomorrow, for as the news spreads around the city, more men will be convinced that these sensational prices are genuine. The hundreds who have already bought shoes here are acting as a great stimulus to others who may have been skeptical of such surprising news. Join the crowd tomorrow and secure a pair or two while the going is good.

Little Tot Seeks Santa Claus and Is Successful

A tot, four or five years of age, daughter of humane parents residing down the length of the northbound train, was seen by a stationer Monday morning, and questioned about the train. "I want to see Santa Claus," she said. "I want to see Santa Claus," she said. "I want to see Santa Claus," she said.
